

Throughflow workshop

'Geology of SE Asia'

Royal Holloway, University of London (RHUL)

Dept. of Earth Sciences

Hosts: Dr Wolfgang Müller
Prof Robert Hall

Programme:

Sunday 4th July 2010:

Arrival of delegates (Early Stage Researchers (ESRs) mainly)

Check-into accommodation at **'The Hub'**, Royal Holloway University of London, Egham, Egham Hill, Surrey, TW20 0EX, U.K. (#41 on campus map)

A room will be reserved for you in the new Halls of Residence. If there are any queries, please do not hesitate and contact me on 07731-787377.

For detailed travel directions, please see

<http://conferences.rhul.ac.uk/Delegation/index.html>

In summary, the campus of Royal Holloway is on the SW fringes of London, in fact slightly outside metropolitan London. We are ~15 min away from London Heathrow (simplest taxi option is Gemini <http://www.geminicars.co.uk/> 01784 - 471111) or ~45 min by train from London Waterloo, followed by a ~15 min walk. London Gatwick and London Stansted are further away and travel to RHUL may either involve changing trains in London or taking the airport buses to London Heathrow.

20 h: Informal Ice breaker party at **'Medicine'** bar (#45 on campus map), which is essentially in the same building as 'The Hub' (if you don't see it as you will walk to your room – please ask at the reception; it is down the ramp of the right (N) side of the 'Hub bldg')
